

Restoration celebration

Photos by Lara Solt/Staff Photographer

Dallas firefighters walked down Greenville Avenue near the landmark building they fought to save from a fire in March 2010. A ceremony was held Tuesday to honor the firefighters and the building's restoration. The original sign survived the blaze.

The Rev. Greg Kelly blessed Jeannie Terilli, owner of Terilli's restaurant, on the rooftop of the eatery during a ceremony honoring participants in the restoration of the landmark Lower Greenville building.
